

Dear Families and Friends of Crossings Christian School,

We are excited to introduce a new way to support the students and families of Crossings Christian School. This fall, on Friday, September 17, 2010 we will kickoff ***Knight Walk*** - a Walk-A-Thon for the 650 plus students of Crossings Christian School. This will be our largest school-wide event to date. It will be an evening for parents, students and friends of the school to enjoy fellowship while raising money for our school. It will also be an event that allows us all to participate in our mission of building Christ-centered servant leaders.

This event will help raise vital funds for our school. Over the past eight years, faithful support of our annual auction has allowed us to furnish our facilities with top of the line technology and equipment. While we will continue to offer our Annual Golf Tournament in the spring, we are excited to offer this unique experience in place of our formal Annual Auction in the 2010-2011 school year. We look forward to your participation in this inaugural event!

***Knight Walk*** will take place on the campus of our school. We are excited to offer various levels of participation for all children including an area for pre-school children to bring their big wheels or tricycles; as well as a one mile, three mile, or five mile walk for lower school through upper school students. Students will have the opportunity to retain sponsorships from neighbors, friends, and family based on their individual goals and involvement. Students will also be recognized for various levels of participation and sportsmanship. We are excited to share this exciting opportunity with our students!

There are many ways in which your family can participate! Special event t-shirts are being designed and will list each of our sponsors as will various signs, banners, and other printed materials. We invite your family and your business to sponsor this exciting event! Please prayerfully consider your involvement.

Attached is more information about the upcoming ***Knight Walk*** walk-a-thon. Please contact us by returning your information to the lower school office or via email at [crossingswalk@gmail.com](mailto:crossingswalk@gmail.com). We look forward to partnering with you in this endeavor as we continue to work with one another to develop Christ-centered servant leaders.
